SECTION I. DEFINITIONS

Adult: An individual with an age of 18 years or older. (WIA Section 101(1) and 20 CFR 663.110)

Affiliate: An Affiliate Center is a location or an access point that provides one or more of the Workforce Investment Act required partner programs, services, or activities, assures minimally the availability of core services, regardless of where the individual enters the statewide system.. Affiliated Centers may have limited hours of operation.

Assessment: The process whereby applicants are interviewed to determine their employability, motivation, aptitude, family situation, education and training, attitudes, transportation, support needs, abilities and interests in order to assist in developing an Individual Employability Plan (IEP) for the attainment of the individual's career goals. Testing and counseling are a part of the assessment process.

Business Intermediary: An entity that provides Workforce Investment Act services and activities to regional business customers and job seekers by working with The Partnership and partner agencies to enhance business services and develop training initiatives in response to current demand and growing trends to better meet employers' needs.

Business Relations and Economic Development: The Business Relations and Economic Development unit of The Partnership supports the regional business community's growth and stability by leveraging economic and workforce development strategies and resources. This team engages the city and county economic development departments, regional chambers of commerce, and other regional workforce development partners to identify opportunities to provide innovative, quality and integrated services to regional employers. This unit will also lead cohorts of Business Services Teams to create a system-wide approach for continuity in the delivery of public workforce system services to regional business customers

Case Management: The provision of a customer-centered approach in the delivery of services, designed to prepare and coordinate individual comprehensive employment plans, such as service strategies, for customers to ensure access to necessary workforce investment activities and supportive services, using, where feasible, computer-based technologies; and to provide job and career counseling during program participation and after job placement (WIA Section 101(5)).

Core Services: Core Services are WIA activities that may be self-directed or staff-assisted. By regulation, all self-directed activities must be available through the One-Stop system. (20 CFR 663.150). These services are provided free to anyone (i.e. universal access).

Self-Service and Informational Activities (No Registration Required) include, but are not limited to: outreach, intake and orientation to the information and other services available through the One-Stop Comprehensive and Affiliate Center; initial assessment of skill levels, aptitudes and abilities; employment statistical information including job vacancy listings, job skill requirements for job listings; and information on demand occupations; information on supportive services and referral to supportive services; resource room usage; workshops and job clubs.

Staff-Assisted Services (WIA Registration Required) include, but are not limited to: staff assisted job search and placement assistance, including career counseling, job referrals, job development, and workshops and job clubs.

Credential: A nationally recognized degree or certificate or state/local recognized credential. Credentials include, but are not limited to, a high school diploma, GED, or other recognized equivalents, post-secondary degrees/certificates, recognized skill standards, and licensure or industry-recognized certificates designed to equip individuals to enter or re-enter employment, retain employment, or advance into better employment. (TEGL 17-05)

Customer: An individual who has registered under 20 CFR 663.105 or 20 CFR 664.215 and has been determined to be eligible to participate in and who is receiving services (except for follow-up services) under a program authorized by WIA Title I. Participation commences on the first day, following determination of eligibility, on which the individual begins receiving other core, intensive, training or other services provided under WIA Title I. (WIA Section 101(34); 20 CFR 660.300) Customer as defined in the Common Measures.

Customized Training: Training that is designed to meet the special requirements of an employer (including a group of employers); that is conducted with a commitment by the employer to employ an individual on successful completion of the training; and for which the employer pays for not less than 50 percent of the cost of the training (WIA Section 101(8)).

Dislocated Worker: An individual who has been terminated or laid off, or who has received a notice of termination or layoff from employment; is eligible for or has exhausted entitlement to unemployment compensation; or has been employed for a time sufficient to demonstrate attachment to the workforce, but is not eligible for unemployment compensation due to insufficient earnings or having performed services for an employer that were not covered under a state unemployment compensation law; and is unlikely to return to a previous industry or occupation.

Economically Disadvantaged: Individuals who do not have an income that exceeds the federal Lower Living Standard Income Level/Poverty Standards and are not eligible to receive public assistance and may include those 18-21 years of age, or individuals who do not have an income that exceeds WIB determination of a self-sufficient wage, which is 200% of the federal Lower Living Standard Income Level/ Poverty Standards.

Eligible (Eligibility): Refers to an individual's status in relation to their ability to receive services under the Workforce Investment Act. (Ref. 20 CFR 663.110, 663.115, 663.120)

Enrollment: An eligible customer who has been referred for WIA services and for whom enrollment documents have been completed and entered into the State's tracking system, Illinois Workforce Development System (IWDS).

Illinois JobLink: Illinois JobLink is a website developed and maintained by the Illinois Department of Employment Security (IDES). Illinois JobLink is a resource that provides links

and tools the regional business community can use to access tax credit and labor market information, as well as post position vacancies and access a database of resumes. All Partnership WIA funded delegate agencies will be required to integrate Illinois JobLink into their delivery of WIA funded services. This integration ensures that all case management, resource room, business services and supervisory staff are trained to utilize Illinois JobLink. All Partnership WIA delegate agencies will be required to participate in any other Illinois JobLink tasks and/or activities requested by IDES.

Illinois workNet™: IllinoisworkNet.com is a free resource that provides career, education and work support information for all Illinois residents and businesses. IllinoisworkNet.com connects individuals looking for employment with employers looking for workers through the convenience of a user-friendly website and onsite locations throughout the state. The program aims to cultivate a well-trained workforce by providing valuable resources for the state's workforce, creating a solid foundation for a thriving 21st century economy.

Job Retention: The period an individual remains in an unsubsidized job following placement. The period of required retention is determined in accordance with WIA, or as dictated by the funder as appropriate to the individual.

Job Search Assistance: Job search skills training, including job club, which provides the customer with the instruction and necessary to obtain full time employment. These skills may include resume writing, interviewing skills, telephone techniques, and job acquisition skills. Job search assistance must be offered to all customers.

Job Development: The planned and organized effort by WIA representatives to encourage employers or business organizations to make jobs available for WIA customers.

On-The-Job Training (OJT): Training by an employer that is provided to a paid customer while engaged in productive work in a job that provides knowledge or skills essential to the full and adequate performance of the job; provides reimbursement to the employer of up to 50 percent of the wage rate of the customer, for the extraordinary costs of providing the training and additional supervision related to the training; and is limited in duration as appropriate to the occupation for which the customer is being trained, taking into account the content of the training, the prior work experience of the customer, and the service strategy of the customer, as appropriate (WIA Section 101(31)).

One-Stop Partner: An entity described in sections 121(b)(1) and (2) that is participating, with the approval of the local board and chief elected official, in the operation of a one-stop delivery system (WIA Section 101(30)).

Registration (Adults and Dislocated Workers): (a) Registration is the process for collecting information to support a determination of eligibility. This information may be collected through methods that include electronic data transfer, personal interview, or an individual's application.

(b) Adults and

Dislocated Workers who receive services funded under Title I other than self-service or informational activities must be registered and determined eligible. (c) Equal Opportunity data must be collected on every individual who is interested in being considered for WIA Title I

financially assisted aid, benefits, services, or training by a recipient, and who has signified that interest by submitting personal information in response to a request from the recipient. (20 CFR 663.105)

Self-Sufficiency: An objective of the Workforce Investment Act is to move individuals and families toward self-sufficiency with employment services, retention services, and increased earnings. At a minimum self-sufficiency means employment that pays at least the lower living standard income level. (20 CFR 663.230).

Self-Sufficiency Barriers: Include, but are not limited to: Learning Disability, Domestic Violence, Housing Issues, Legal Issues, Medical Problems, Transportation, and Child Care.

Supportive Services: Services such as transportation, childcare, dependent care, housing, and needs-related payments that are necessary to enable an individual to participate in activities authorized under WIA (WIA Section 101(46)).

Workforce Center Operator: The Partnership will select Center Operators to serve as the representative(s) of the WIA Title I Administrative Entity to provide core, intensive and training services within The Partnership Illinois workNet centers. The Center Operators will be responsible for the overall operation of services delivered in the center as well as coordination with the mandated partners and are responsible for the physical operations and needs of the Center(s).

Youth Affiliate:

Youth Affiliates provide services to assist youth ages 16-21 in achieving academic and employment success.

SECTION II. INTRODUCTION

Workforce Investment Act Overview

The U.S. Department of Labor’s (“DOL”) Workforce Investment Act (“WIA”) Title I is the main source of federal funds for workforce development activities throughout the nation. WIA funding, which is distributed to states and, subsequently, sub-state agents, is used to serve two primary customers—businesses and job seekers. Services are managed and provided by local agents, which must meet performance goals set by DOL and the respective state overseer.

Chicago Cook Workforce Partnership (The Partnership)

The Chicago Cook Workforce Partnership (“The Partnership”) is a collaboration between the City of Chicago and Cook County to create and administer a comprehensive workforce development system designed to work with the business community and job seekers. The Partnership integrates City and County Workforce Investment Act (WIA) programming in order to improve services and reduce costs. The Chicago Cook Workforce Investment Board (the “WIB”) oversees The Partnership, has statutory responsibility for the local implementation of WIA and provides a forum for business, labor, education, government, community-based organizations and other stakeholders to work together to develop strategies that can address the supply and demand challenges confronting the local workforce.

The Chicago Cook workforce system comprises six types of organizations:

- **Workforce Centers** are high-capacity centers serving the general job-seeking population as well as businesses. Workforce Centers must serve both Adult and Dislocated workers (Youth optional) and must have active participation from one of the mandated WIA partners. The locations for Workforce Centers have been identified and approved by the predecessor LWIAs.
- **Affiliates** provide services to job seekers and businesses, differing from workforce centers in that they are smaller and may serve a smaller geographic area or special population.
- **Youth Affiliates** provide services to assist youth ages 16-21 in achieving academic and employment success.
- **Business Intermediary**: An entity that provides Workforce Investment Act services and activities to regional business customers and job seekers by working with The Partnership and partner agencies to enhance business services and develop training initiatives in response to current demand and growing trends to better meet employers’ needs
- **Workforce Centers for Business (aka Sector Centers)** are business service hubs concentrating on business and job seeker services related to a specific industry sector, such as manufacturing, and responsible for educating the other WIA delegate agencies on aspects of the given sector.
- **Bridge Programs** prepare residents with limited academic or limited English skills to enter and succeed in credit-bearing postsecondary education and training leading to career-path employment in high- demand, middle- and high-skilled occupations.

These six groups of organizations work together to provide the most effective possible service to our customers. This collaborative system includes multiple entry points for both businesses and job seekers to access the full range of workforce development services and benefits.

In addition, WIA organizations are expected to work closely with the following WIA partners (as mandated by law) to ensure the highest quality of service:

- Adult Education and Literacy
- Youth Education and Literacy
- Perkins Post-Secondary Vocational Education
- Senior Community Service Employment Program
- Trade Adjustment Assistance Act
- Unemployment Insurance
- Veterans Employment
- Vocational Rehabilitation
- Wagner Peyser
- Job Corps
- TANF Employment and Training Programs
- Food Stamp Employment and Training Programs

The Partnership's Mission and Goals

Mission: The Partnership's mission is to improve services, reduce costs and support job creation and economic development across the Cook County workforce system. In addition, The Partnership creates and supports innovative programs that allow for region-wide implementation of best practices and coordinated engagement with the region's business community in order to meet the workforce needs of employers.

The Partnership is particularly interested in delegate agencies contracted to deliver WIA services that will achieve the following goals:

- *Increase Skill and Educational Attainment for Customers to Find and Retain Employment.* In today's challenging economic climate, it is critical that our community members have the skills they need to compete in the workforce; that they can find and keep jobs; and that local businesses can access the skilled labor they need. The Secretary of Labor has issued a High Priority Performance Goal to increase credential attainment by participants of the public workforce system. Regardless of where they are starting, there needs to be a path to credentials for all residents. The public workforce system should help individuals achieve long-term self-sufficiency through career pathway models that articulate the connections between education and employment.
- *Support Economic Growth.* The public workforce system provides resources to help businesses grow. The main avenue for accomplishing this growth is assisting businesses in accessing the skilled labor they need. The Partnership identifies growing industries and addresses the local workforce's skills gaps to meet the needs of employers in those industries. The public workforce system helps businesses to find the skilled labor they need and to create opportunities for achieving economic self-sufficiency for employees.

SECTION III. PURPOSE OF SOLICITATION

This Request for Proposal ("RFP") has been released to allow The Chicago Cook Workforce Partnership ("The Partnership") to recruit qualified vendors to submit innovative proposals for the delivery of Bridge Programs. More than 570,000 adult residents of Cook County never

finished high school. Another nearly 1.5 million graduated or earned a GED, but never completed further education. Together, these groups represent over 45% of the population over age 25. The educational attainment of Cook County residents breaks out as follows:

**Educational Attainment of Adults in
Cook County,
SELECTED SOCIAL CHARACTERISTICS IN THE UNITED STATES
2006-2010 American Community Survey 5-Year Estimates
(Population 25 years and older)**

| <u>Level of Educational Attainment</u> | <u>#</u> | <u>%</u> |
|--|------------------|------------|
| Less than 9 th grade | 279,065 | 8.2 |
| 9 th to 12 th grade – no diploma | 294,562 | 8.6 |
| HS diploma or equivalent | 848,384 | 24.9 |
| Some college, no degree | 648,360 | 19.0 |
| Associate’s degree | 211,605 | 6.2 |
| Bachelor’s degree | 684,903 | 20.1 |
| Graduate or professional degree | 447,022 | 13.1 |
| TOTAL | 3,413,901 | 100 |

For hundreds of thousands of individuals, low levels of education, including lack of basic literacy skills, present a significant barrier to employment. Since the majority of job training programs are only open to individuals reading at the 9th grade level or above, those with low literacy levels cannot access the skills training that could improve their job prospects.

The goal of bridge programs is to bridge the gap between the existing skills of individuals and what they need to enter and succeed in postsecondary education and career-path employment. Bridge programs aim to accelerate educational attainment for low-skilled individuals to “bridge” them to skills training and post-secondary programs.

SECTION IV. GENERAL INFORMATION

A. Authority

The Chicago Cook Workforce Partnership issues this Request for Proposal (RFP) to solicit submittals from organizations interested in providing Bridge Program services to eligible Adult and Dislocated Workers under the Workforce Investment Act (WIA) of 1998. WIA provides Federal funds for services aimed at increasing employment, job retention and earnings, as well as increasing the occupational skill levels of program participants. The Partnership has program and administrative responsibility for all WIA services provided in Local Workforce Investment Area (LWIA) 7, which serves the entirety of Cook County inclusive of the City of Chicago. The Chicago Cook Workforce Investment Board provides leadership, strategic planning, policy direction and oversight for WIA services in LWIA 7.

The U.S. Department of Labor's Workforce Investment Act (WIA) Title I of 1998 (112 Stat. 936) provides federal funding for workforce development activities. WIA provides for customer-focused comprehensive system. It is designed to help Americans access the tools to manage their careers through information and quality services, and to help U.S. companies find skilled workers.

Guiding principles of the WIA include: streamlining services through a "One-Stop" service delivery system focused on service integration and outcomes; providing information and access to training services; providing universal access to employment-related services, and increasing accountability (improving employment retention and earnings, improving the quality of the workforce, sustaining economic growth, and reducing welfare utilization). A copy of the WIA and its regulations are available for review at the U.S. Department of Labor (DOL) Employment and Training Administration website at www.doleta.gov.

B. Eligible Respondents

Any governmental, not-for-profit, local agency, educational institution or for-profit entity properly operating in accordance with Federal, State and local law, and in business for at least three years, may submit a proposal for consideration. Minority-owned, women-owned and disadvantaged businesses are encouraged to apply as well.

Respondents must be eligible to do business with the City of Chicago and Cook County. Further, to receive consideration, a respondent must have a direct service location within Cook County or identify a location in their proposal that is secured for occupancy as of the grant agreement start date if the respondent is selected and awarded a grant. Respondents must indicate the full address for their Board members, administrative offices, as well as for each proposed service location in their response.

Respondents may submit proposals in which subcontractors are identified to provide program components. Respondents may also identify organizations offering collaboration to enhance the program design. Such subcontracting relationships or collaborations that enhance the capacity to provide services across the County, throughout various neighborhoods and to any target populations, are encouraged. However, any collaboration of two or more entities should clearly provide the following information in the narrative portions of the proposal:

- Identify the lead agency for the collaborative partnership
- State the roles and responsibilities of each collaborator
- Include an organizational chart for each organization and for the collaborative
- Describe how funds will flow within the collaborative
- Identify the qualified fiscal agent for the collaborative partnership

Entities are **ineligible** if they: 1) are currently barred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by a Federal or State department/agency; 2) have existing grants with any State or County agency that are suspended or otherwise not in good standing; or 3) are not in compliance with the Illinois Department of Revenue or the Federal Internal Revenue Service requirements.

C. Targeted Populations

Funds awarded through this RFP will be directed towards: general Cook County residents (inclusive of the City of Chicago) seeking workforce services (universal customers); Adults and Dislocated Workers who meet the eligibility requirements; individuals who reflect the demographics of the region; individuals in need of specialized services such as the re-entry population; veterans; individuals with disabilities; limited-English proficient individuals; homeless individuals and individuals over 55 years of age. Funding is also dedicated to the needs of local businesses and employers. Eligibility criteria for adult and dislocated workers activities can be found in Section 101 of the WIA, Sections 663.110, 663.115, 663.120 of 20 CFR Part 652.

D. Available Funding and Performance Period

The Partnership will award WIA funds to one or more entities that demonstrate an ability to effectively deliver and manage services as described herein. It is the expectation of the Workforce Investment Board that respondents will be proficient in their understanding of the Workforce Investment Act services and regulations. All proposals must be comprehensive and address the full scope of services or demonstrate a partnership with other entities that together will deliver the full scope of services contemplated by this RFP.

The Partnership anticipates funding grant agreements effective January 1, 2013 through June 30, 2013, with an option to renew for 12 months, through June 30, 2014. The Partnership reserves the right to renew grant agreements for up to three additional one-year periods based on the delegate agency’s achievement of benchmarks, funding availability, the renewal’s conformity with The Partnership’s vision for the Chicago Cook Workforce System and the terms of any WIA reauthorization.

The Partnership anticipates awarding up to approximately \$600,000 in WIA Adult and Dislocated Worker Formula funding for Bridge Programs from January 1, 2013 through June 30, 2013. The funding is derived from the PY ’12 allocation.

| Funding Year | Anticipated PY2012 Allocation |
|---------------------|--------------------------------------|
| Adult | \$400,000 |
| Dislocated Worker | \$200,000 |

SECTION V. PROGRAM REQUIREMENTS

A. Required Services

All services to Adults and Dislocated Workers must be designed and operated in accordance with requirements of the Workforce Investment Act (WIA) (P.L.105-220) and the WIA regulations (20 CFR-Part 660-667). Respondents are obligated to review these requirements and to structure proposals accordingly. The Workforce Investment Act law and regulations can be accessed through the United States Department of Labor–Employment and Training Administration at www.doleta.gov. OMB Circulars impose additional requirements relevant to the administration of WIA service programs. Respondents must identify the specific OMB Circulars applicable to them and structure and administer programs accordingly. OMB Circulars can be accessed at www.whitehouse.gov/omb/circulars.

Proposed services for Adult and Dislocated Workers must also comply with all State policies by the Illinois Department of Commerce and Economic Opportunity (DCEO) accessed at www.illinoisbiz.biz/DCEO/Bureaus/Workforce_Development.

B. Relevant WIA Program Elements

Adult Program: To be an eligible Adult customer, an individual must meet the requirements as defined in the Workforce Investment Act. To be eligible to receive staff assisted core services all individuals must be registered; and to receive intensive and training services, individuals must have previously received a staff assisted core service. Individuals registering for services to be provided through Adult program funding must fulfill the following requirements:

- Be 18 years of age or older;
- Is a United States citizen or eligible non-citizen; and
- Comply with Selective Service (males only) legislation by providing documents to demonstrate compliance with Selective Service requirements.
- 75% of Adults served must meet the low income standard. Please refer to the Income Eligibility Requirements for WIA Title 1 Adult Policy located at www.workforceboard.org.

Dislocated Worker Program: To be an eligible Dislocated Worker, an individual must meet the requirements defined in the Workforce Investment Act. To be eligible to receive training services, individuals must have previously received a staff assisted core service. Individuals registering for services to be provided through dislocated worker funding must fulfill the following requirements:

- Has been terminated or laid off, or has received notice of termination and is eligible for or has exhausted entitlement to unemployment compensation; and
- Is unlikely to return to prior industry or occupation; or
- Laid off or terminated due to plant closure or substantial layoff; or
- Formerly self-employed or unemployed; or Is a displaced homemaker who has been providing unpaid services to family members in the home.

C. Bridge Program Elements

In Illinois, Bridge Programs are defined as programs that prepare adults with limited academic and/or English skills to enter and succeed in credit-bearing postsecondary education and training leading to career-path employment in high-demand, middle- and high-skilled occupations. The goal of bridge programs is to sequentially bridge the gap between the existing skills of individuals and what they need to enter and succeed in postsecondary education and career-path employment. Bridge programs aim to accelerate educational attainment for low-skilled individuals to “bridge” them to skills training and post-secondary programs. The Illinois Department of Commerce and Economic Opportunity (DCEO) and the Illinois Community College Board (ICCB) have agreed to a common understanding of the core components of bridge programs:

- Contextualized instruction that integrates basic reading, math, and language skills and occupational knowledge
- Career development that includes career exploration, career planning, and understanding of the world of work
- Transition services that provide students with the information and assistance they need to successfully navigate the process of moving from adult education to credit or occupational programs

These programs will deliver core, intensive, and training services in one seamless program. Participants receive relevant classroom-based and hands-on instruction. All programs may have active participation from industry representatives in program design, screening of candidates, curriculum development, instruction, hands-on experiences and field trips, job shadowing, internships and placement into advanced education and/or related employment. Programs also provide case management, job-readiness and seeking skills, and job placement assistance and retention services.

The Partnership is interested in supporting bridge programs in the city of Chicago and Cook County and in increasing the capacity of organizations to provide such programs. The Partnership encourages new partnerships between industry, community-based workforce development service providers, post-secondary institutions, literacy organizations, labor unions, and other organizations with experience in helping low-skilled adults achieve economic self-sufficiency.

The Partnership encourages applicants to review the Department of Labor’s Training and Employment Guidance Letter (TEGL) No. 15-10 (dated December 15, 2010 and available on the Employment and Training Administration’s website www.doleta.gov), “Increasing Credential, Degree, and Certificate Attainment by Participants of the Public Workforce System.” This TEGL outlines a number of strategies for addressing the needs of low-skilled participants, including offering WIA Title I contextualized training programs that lead to a credential for low-skilled participants as well as co-enrolling low-skilled participants in WIA Titles I and II to support programs that combine adult basic education with occupational skills training. The Partnership strongly encourages partnerships between WIA Title I and II programs.

Targeted Sectors

This RFP seeks qualified community agencies, training vendors or other not-for-profit or for-profit entities with experience in providing occupational skills training in jobs related to the following sectors:

- Healthcare
- Information Technology / Healthcare Information Technology
- Manufacturing
- Transportation, Distribution and Logistics
- Hospitality
- Retail

D. WIA Program Elements

As these programs will be largely funded through WIA, they must also deliver the mandated WIA core, intensive, and training services. These services are generally considered sequential, meaning that a customer accesses core services before transitioning to intensive and so on. However the bridge model uses a comprehensive program design that blends intensive and training at the onset. Respondents will need to incorporate the required WIA elements into their bridge design.

Core Services are general services that assist the job seeker in finding employment and orienting customers to the Workforce system. These services include a general orientation, intake, **labor market information**, an initial assessment, and eligibility determination.

Intensive Services are services that require more staff time and are unique to the job seeker. They include assessments, individual employment planning, job readiness training and case management. The objective assessment involves a more thorough examination of the customer's academic levels, aptitude, interest and skills for the particular training. An individual must be registered to receive intensive services. An Individualized Employment Plan must be developed with each participant.

Training Services refers to the "hard" or technical skills needed in the particular industry. Opportunities for "hands on" learning, work experience or internships may also be incorporated into the curricula. At the time of this writing it is unclear if funds will be available to pay participants for work experience. The Partnership is exploring alternate ways to support these activities. As always Respondents are encouraged to leverage other funding for these purposes.

Proposals must include all of the following tasks:

Trainee Outreach, Recruitment, Orientation and Eligibility Determination

Selected grantees will be required to conduct trainee outreach and recruitment and provide information orientations to interested parties on their proposed program.

Grant recipients will be required to collect the necessary documentation to determine WIA eligibility for Adult and Dislocated Worker populations and maintain customer case records.

The Partnership will provide detailed training to awarded delegate agencies on eligibility requirements and record keeping. Basic eligibility includes documentation of:

- Age
- Resident of Cook County
- Eligibility to work in the United States
- Selective Service registration when applicable
- Low-Income, Dislocated Worker status as applicable

All grantees must work very closely with Chicago Workforce Centers and Affiliates and will be expected to take referrals of candidates from those served at these centers. All grantees are responsible for maintaining case records and entering participant information into the Illinois' online tracking system, the Illinois Workforce Development System (IWDS).

Assessment and Case Management

Grantees are required to complete a thorough assessment of individuals for appropriateness in the program. Participants must complete academic testing prior to enrollment using the TABE (or equivalent) as well as post-program testing to assess grade gains. It is expected that programs will target participants in the 6th-9th grade reading and math levels.

Once registered into WIA, case management services are required as a critical element to ensure all individuals are receiving individualized career counseling. Case management services should be structured to maximize the employment potential of the individual by implementing job attainment and retention strategies that are continually re-evaluated as the individual progresses through services. Case management services should highlight career guidance and exploration while facilitating career path decision-making activities; promoting awareness of education and training options, support services, and partner services. Case management services must contain an ongoing assessment component; and evaluate basic skills and employment barriers to provide strong employment planning. Individual Employment Plans (IEP) must be developed with the customer to identify benchmarks and justify the need for services to be provided.

Training

Respondents must have a detailed curriculum outlining the training activities and instruction time for the activities of their proposed design. Training will prepare adults with limited academic and/or English skills to enter and succeed in credit-bearing postsecondary education and/or industry-recognized training leading to career-path employment in high-demand, middle and high-skilled occupations. Training elements will include: contextualized instruction that integrates basic reading, math and language skills with industry and occupation knowledge; "hard " or technological skill development, career development that includes career exploration, career planning that helps clients identify a career pathway, and transition services that provide participants with the opportunity to enter credit bearing educational programs or occupational programs. Services will take into account the needs of those adults who seek assistance finding related work to sustain them as they progress through further education and along a career pathway.

Placement and Retention

Bridge programs aim to increase skill sets among job seekers needed for advanced training and/or employment in targeted industries. Grantees will be expected to assist program completers or graduates in securing employment into a training related field and/or entering advanced training. It is anticipated that participants will need long term follow up as they progress along their employment plan. Grantees are expected to develop relationships with employers and/or post-secondary education entities to assist participants beyond the bridge program.

It is important to note that once an individual is registered into WIA, the customer will also be counted in the federal WIA performance measures. The Partnership reports the following measures to DOL as part of the terms of its WIA allocation. Respondents will be required to meet rates on these measures based on the rates The Partnership negotiates with DCEO each year.

Because the WIA performance measures are based on exits from the program, The Partnership developed other key benchmarks. Selected Respondents will enter into a “loading plan” with The Partnership that will outline at minimum the following benchmarks:

- Number of enrollments
- Number of individuals trained
- Number of individuals entering advanced training
- Number of individuals advancing one or more level on the TABE test
- Number of individuals placed into employment
- Number of individuals entering employment in a training related field
- Number of individuals retaining employment at 90 and 180 days

The Partnership reserves the right to set and change benchmarks, add new benchmarks and adjust rates based on WIA legislation and negotiated performance goals.

Selected respondents will be continually evaluated based on their performance on both the DOL performance measures and The Partnership benchmarks. The Partnership will review progress toward benchmarks at quarterly meetings. Delegate agencies failing to meet benchmarks may be asked to submit corrective action plans or participate in training or technical assistance meetings.

Grant agreement renewals will be largely based on achievement of benchmarks. The Partnership also reserves the right to impose additional conditions and/or restrictions on the grant award, implement probationary periods, undertake any other corrective action, reduce funding or end grant agreements based on poor performance on any of the benchmarks.

E. Project Administration, Reporting, and Evaluation

The Respondent will: provide monthly progress reports on the implementation of the grant project; provide and meet all required state and federal performance measures; and comply with all evaluation requirements. Reports must be sufficiently detailed so that implementation problems can be identified and addressed in a timely manner to maximize human and financial

resources allocated to specific solutions. The reporting format will be developed in conjunction with the grantee’s loading plan and will track actual to planned data along with other relevant information. The Partnership will hold quarterly meetings with delegate agencies to review progress toward plans and achievement of benchmarks. Delegate agencies also are required to have staff representation at all bi-monthly meetings and staff training workshops as determined by The Partnership, usually several times a year.

The Respondent will comply with all state and federal reporting requirements and will participate fully with any evaluation measures or projects, as conducted through this grant by The Partnership and federal or state administrators.

For marketing purposes, selected delegate agencies will need to do reporting and analysis as requested. Selected Respondents will be required to collect employer testimonials and customer success stories to be used in the marketing and public relations activities of The Partnership. Grant recipients will also be required to provide primary and secondary points of contact to The Partnership for the collection of testimonials, success stories and the coordination of system-wide marketing and public relations activities. Grant recipients also agree to display any signage, and/or marketing materials provided by The Partnership at the sites where services are delivered. Illinois WorkNet™, both the online resource and the brand, will be integrated in all marketing activities.

Grant recipients must maintain clear and accurate fiscal records in accordance with federal guidelines related to WIA formula requirements. Records should be maintained for a period specified in the grant agreement.

F. WIA Performance Requirements

WIA establishes a comprehensive performance accountability system in order to optimize the return on investment of federal funds and to assess the effectiveness of local areas in achieving continuous improvement of workforce investment activities funded under Title 1B. The accountability requirements for WIA programs, including core measures and numerical goals for each measure are listed below. WIA has established core indicators of performance for the Adult and Dislocated Worker programs and respondents will be required to collect data pertaining to those indicators.

It is important to note that once an individual is registered into WIA, the customer will also be counted in the federal WIA performance measures. Delegate agencies will be required to meet the following performance measures based on the rates The Partnership negotiates with DCEO each year. The new measures for PY 2012 are not finalized at the time of this writing. However, The Partnership anticipates the following measures ranges will qualify as “meeting” the measure related to Adult and Dislocated Worker:

| Performance Measure | Estimated PY 2012 Goal | Meeting Range: |
|-------------------------------|-------------------------------|-----------------------|
| Adult Entered Employment Rate | 75% | 74.9%-60% |

| | | |
|---|--------------------------------|---|
| Adult Employment Retention Rate | 82% | 81.9%-65.6% |
| Adult Average Earnings | \$12,000 | \$11,999-\$9,600 |
| Dislocated Worker Entered Employment Rate | 84% | 83.9%-67.2% |
| Dislocated Worker Employment Retention Rate | 89% | 88.9%-71.2% |
| Dislocated Worker Average Earning Rate | \$16,500 (6 months) | \$16,499-\$13,200 (6 months) |

G. Deliverables

Successful respondents are required to provide the following deliverables:

- **Monthly and Quarterly Reports:** Routine monthly and quarterly written reports shall be due by the tenth (10th) calendar day of the month following the month or period being reported on.
- **Invoices:** Monthly invoices are due to The Partnership’s fiscal unit by the tenth (10th) calendar day of every month for expenses incurred in the preceding month.
- Other requirements may be incorporated into the grant agreement.

H. File Retention and Ownership

Selected respondents will be responsible for retaining program files and records, including customer files and records, in compliance with Federal and State WIA requirements, and the Workforce Investment Board’s record retention policies. The Partnership retains ownership of all files and records related to the services provided pursuant to this RFP.

I. Record Keeping

Respondents must maintain accurate case files for every WIA-registered customer. Case files must contain a variety of documentation including, but not limited to: program eligibility/determination of need; assessment data; Individual Employment Plans (IEP); regular updates (minimally every 30 days); progress reports, time and attendance (training services); and case notes.

J. Oversight, Evaluation and Planning

The Partnership will monitor and evaluate the Business Intermediary to determine: if employer and job seeker customers are receiving the most comprehensive, streamlined set of services, ensure program compliance and evaluate the quality and effectiveness of the service strategies. External monitoring and evaluation may also be conducted periodically by the U.S. Department of Labor, the Illinois Department of Commerce and Economic Opportunity and any other agencies that provide funds that are used by The Partnership to contract for services in the area’s workforce system.

K. Collaboration

Respondents must draw upon the resources of other agencies and partners to comprehensively serve customers. This requires referring job seekers to other WIA providers if necessary and sharing programmatic best practices for both job seekers and business services.

L. Accessibility

The Partnership is committed to equal access for all customers to all services. Business Intermediaries are expected to demonstrate full compliance with the Americans with Disabilities Act Amendments Act of 2008 (ADAAA) and all other equal opportunity laws. This involves ensuring that staff receive accessibility training, and may involve developing accessibility plans. All respondents must ensure all written materials and communications include the statement: ***“Reasonable accommodations and auxiliary equipment and services are available upon request.”***

M. Information Dissemination

Respondents will be required to allow The Partnership to access the center location and to obtain, publish, disseminate or distribute any and all information obtained from the program without restriction and without payment or compensation by The Partnership. The Partnership retains ownership of all materials related to this award.

N. Costs

Successful respondents must identify an average unit cost-per-customer with an explanation to justify this unit cost and identify the staff to customer ratio. If the entity is a for-profit entity, respondents must also identify the profit percentage built into the proposed budget, and describe the risk and other factors taken into consideration to arrive at this percentage. **NOTE:** The Partnership will separately negotiate the percentage of profit with each successful for-profit respondent. (See the policy on Fixed Fee plus Cost, located at www.workforceboard.org)

O. De-Obligation of Funds

Respondents awarded funding will be subject to performance measures. Failure to meet performance measures identified in the grant agreement, and/or repeated non-compliance with local, State or Federal guidelines may also result in the de-obligation of funding, suspension of payments and or the termination of the grant agreement.

P. Customer Tracking

Successful respondents will be required to submit customer tracking information and data and follow procedures as identified by The Partnership. Customer tracking details must include the number and type of customer served per month. Monthly performance reports must detail information such as the number of: individuals placed into employment; individuals trained; and individuals placed into employment in a training-related field. Respondents must also gauge and track customer satisfaction through monthly surveys.

Q. Freedom of Information Act / Confidential Information

Funded proposals are subject to public disclosure, in response to requests received under provisions of the Freedom of Information Act (5 ILCS 140/1 *et seq.*) Information that could reasonably be considered proprietary, privileged, or confidential commercial or financial information should be identified as such in the proposal. The Partnership will maintain the confidentiality of that information only to the extent permitted by law. If the respondent has a special need to maintain the confidentiality of proprietary or privileged information, a

supplemental letter of explanation must be attached to the proposal and all allegedly proprietary or privileged information should be identified as such.

R. Insurance

Prior to a Contract being executed, the following insurance requirements must be met:

The Contractor should be self-insured and shall maintain the following minimum insurance coverages and limits of liability at all times during the term of the Contract:

- **Workers' Compensation** – Workers' Compensation and Employers' liability as required by Illinois law.
- **Commercial General Liability** - Coverage at a minimum shall be \$1,000,000 per occurrence and \$2,000,000 in the aggregate for bodily injury and property damage liability.
- **Business Automotive Liability** - Including coverage for all owned, hired and non-owned vehicles. Coverage shall at a minimum be \$1,000,000 combined single limit, bodily injury & property damage.
- **Fidelity Bond Insurance** – The Contractor shall provide bonding for every Officer, Director, agent or employee who handles funds (cash, checks or other instruments of payments for program costs) under this Contract. The amount of coverage shall be the higher of the highest reimbursement or cash draw down planned during the term of this Contract or \$100,000. The contractor shall be responsible for the payment of unemployment insurance, premiums for worker's compensation, other insurance premiums, and statutorily required taxes and benefits.

- S. Suspension** - If The Partnership determines that the Contractor fails to comply with the provisions and/or the terms of the contract, the Contractor will be placed on a “Suspension” status. No payments will be processed or paid until said Suspension is lifted.

SECTION VI. PROPOSAL REVIEW PROCESS

| Pre-submittal conference | October 10, 2012 at 1:00 p.m. |
| RFP Submittal Deadline | October 24, 2012 at NOON (12:00 p.m. CST) |
| Award Announcements | Week of December 10, 2012 |
| Contract begins | January 1, 2013 |

E. Proposal Evaluation

Applications will be evaluated by a team of reviewers, which may include Board members and staff. Applicants may be contacted, in writing, to answer questions or provide clarification to the evaluation team. An entity's failure to submit a complete proposal or to respond in whole or in part to RFP requirements may cause The Partnership to deem the proposal unresponsive and thus ineligible for review.

Fiscal Review

The Partnership will also conduct a fiscal review on qualified proposals. Selected Partnership staff will review proposal budgets, cost allocation plans, agency audits, leveraged funds and responses to questions related to fiscal operations. The Partnership reserves the right to review and request further information on the respondent's financial situation, if not sufficiently outlined in the submitted audit(s). The Partnership reserves the right to assess the risk posed by any recent, current or potential litigation, court action, investigation, audit, bankruptcy, receivership, financial insolvency, merger, acquisition, or other event that might affect an organization's ability to operate the requested program.

Past Performance Review

Through this process, The Partnership will review a respondent's performance on any previous and/or existing Partnership grant agreement(s) as well as legacy LWIA contracts. Achievement of grant agreement goals such as WIA number of enrollments, job placements and retention of enrollees along with compliance with programmatic and fiscal guidelines and timelines will be evaluated.

The review panel will perform an in-depth evaluation of all responsive proposals based upon the criteria herein. Prior to its final funding decision, The Partnership may also: 1) Meet with representatives of the responding entity to discuss the proposed program and budget; 2) Identify and/or negotiate program or budget changes the responding entity must make as a condition of funding; and 3) Identify other documentation the entity must provide as a condition of funding.

Based upon its review, the panel will present its findings to The Partnership which must make final funding recommendations to the Workforce Investment Board.

After analyzing all of the above data, including the geographic disbursement of the programs to ensure community access for Cook County residents as well as coverage of special populations, The Partnership will select respondents for recommendation to the Chicago Cook Workforce Investment Board for approval. Once approved by the WIB, The Partnership may award grant agreements to successful respondents. Selections will not be final until The Partnership and respondent have fully negotiated and executed a contract.

Entities that fail to meet the evaluation criteria specified herein, or proposals that do not meet the service needs will not receive further consideration for funding. Failure to meet evaluation criteria can include, but is not limited to, non-responsive language in the submission, failure to clearly address all areas in the project narrative as required, lack of required documentation, and proposing programs, which do not address the specific needs of the population(s) being targeted.

F. Notice of Award

All respondents will be notified by mail as to their award status. Unsuccessful respondents who wish to obtain information on the evaluation of their proposal should submit a written request to this effect to The Partnership’s Chief Administrative Officer/General Counsel. Unsuccessful respondents are encouraged to re-apply in subsequent funding cycles.

G. Disclaimers

The issuance of this RFP does not obligate The Partnership to award a contract or to pay any costs incurred in the preparation of a proposal. The Partnership reserves the right to accept or reject any or all proposals received in response to this RFP. The Partnership can cancel or rescind this RFP, in part or in whole, if deemed necessary.

All contract awards by The Partnership, pursuant to this RFP, are contingent upon the availability of funds. Respondents are liable for any and all costs incurred prior to final authorization by the WIB and the execution of a contract with The Partnership.

The Partnership also reserves the right to:

- Rescind an award and/or reallocate the funding to another applicant should the successful respondent fail to execute its grant agreement in a timely fashion;
- Increase funding levels for any or all delegate agencies selected pursuant to this RFP, if additional funds become available, based on delegate agency performance, effectiveness and other details;
- Change and amend as necessary its policies or procedures governing the delivery or scope of services described herein;
- Perform an assessment of the risk that any recent, current, or potential litigation, court action, investigation, audit, bankruptcy, receivership, financial insolvency, merger, acquisition, or other event might have on an organization’s ability to operate a proposed program.

SECTION VII. ORGANIZATION OF THE PROPOSAL

Describe strategies and processes to work with participants and employers during the follow up period to increase job retention, including, but not limited to strategies to identify and remove barriers to job retention.

3. Past Performance and Project Support/Partnerships (25 points)

The Partnership reserves the right to consider any and all data of previous performance on workforce development programs. The Partnership also requests the following information from respondent:

a. Provide an overview of respondent's experience in managing government-funded workforce development programs or grants or other related activities. Include, as relevant, the following:

- The number and length of such programs and grants and the extent of services provided under each;
- Experience providing workforce development or other services specifically within the context of the geographic area of the location for which the respondent is applying;
- Instances, projects or relationships in which respondent has led or worked closely with one or more Chicago Cook Workforce System members, WIA system partners or other workforce development entities on workforce development projects, programs or initiatives.

b. Identify employer supporters of the project and describe their interest in or link to the program. Provide written letters of support from employers that identify contributions of additional "in-kind" resources, or employer participation in training, commitment to hiring participants. (Attach letters of support of this nature only). Discuss the partnerships that your organization has with other agencies, which focus on providing services to adult and dislocated workers, and how these services will be coordinated through your program. (Attach copies of executed Memoranda of Understanding or letters indicating an intent to partner).

4. Financial Structure and Cost Effectiveness (25 points)

Describe the basis on which the requested amount was calculated. Identify an average unit cost per participant and provide an explanation to justify this unit cost. Identify the staff to participant ratio. If the entity is for-profit, identify the profit percentage built into the proposed budget, and describe the risk and other factors taken into consideration to arrive at this percentage. NOTE: The Partnership will separately negotiate the percentage of profit with each for-profit entity whose proposal is selected.

- Describe the respondent's fiscal capacity, including a description of any other grants over \$100,000 and includes the organization's total annual budget.
- Does the organization do its own accounting? If no, indicate name, address, contact person and phone number of accounting firm. If yes, describe the respondent's accounting/financial procedures, type of accounting software used and system of oversight.
- How often are bank reconciliations prepared?

- Describe the organization’s payroll system including internal controls for accuracy and validity. What is the method for documenting employee time?
- Describe how the organization will ensure that costs charged to the program are reasonable, allocable, allowable, and necessary?
- Please give name, address and contact person of auditing firm. How long has the agency used this auditing firm?
- If staff or other costs charged to this budget will be shared between one or more funding sources, please detail the overall cost allocation plan for sharing costs, including the method of allocating shared costs.
- Please attach a copy of the current Cost Allocation Plan (CAP). For guidance on preparing a cost allocation plan, please refer to OBM Circular A-87.
- Attach a copy of the organization’s most recent audited financial statements, management letter, and federal and state tax returns. For organizations whose total public contributions in a single year are below the State of Illinois threshold for an audit (see below), please provide the organization’s most recent 2-year comparative financial statements (e.g., statements of financial position, statements of activities, statements of cash flows, and statements of functional expenses – if applicable).
 - Note: Per (225 ILCS 460/4), the audit threshold for charitable organizations whose fund-raising functions are carried on solely by staff and volunteers is **\$300,000**. The audit threshold is **\$25,000** for charitable organizations who use the services of a paid professional fundraiser.
- For audits, indicate what action has been taken in regard to the following:
 - Auditor’s opinions or recommendations regarding internal controls.
 - Cost disallowances and any other “qualitative” changes the organization has undertaken in response to audits.
- Has the organization ever been declared seriously deficient in the operation of a grant? If so, please describe the circumstances.
- Describe leveraged funds that respondent or collaborators will bring to this project. This can include cash contributions, staff effort, space, fee-for-service or other revenue generation and in-kind contributions. In answering, list each source of leveraged resources and the function of each leveraged resource, for example to spread operating costs or to broaden the scope of services. Note that budgets must back up this information with a breakdown of the funding from each source as it is utilized in the program. **No proposal will be accepted whose budget does not clearly and specifically identify the leveraged funds.**
- Describe respondent’s resource development experience and capacity to access various

sources of funding in order to operate high-quality programs.

D. Budget Instructions

The Budget contains the following items: budget narrative, budget summary, personnel budget, non-personnel summary budget, non-WIA matching contribution which should be indicated on the other column of the first budget page. Respondents are encouraged to complete the forms electronically and print them for inclusion in their submission. *The budget forms are included as an excel spreadsheet file as part of the complete application packet.*

WIA allows for-profit respondents to include fixed fees (aka profit) in the budget. Private for-profit organizations should indicate anticipated program fixed fees over program costs in the space provided on Budget Form 3. Fixed Fees will be negotiated as a separate element of cost during the grant agreement negotiations. In negotiating fixed fee, the following factors will be considered: (1) the complexity of the work involved; (2) risk borne by the grant recipient; (3) the grant recipient's investment; (4) the amount of subcontracting; (5) the quality of its past performance; and (6) the industry profit rates in the surrounding geographical area for similar work. Further, the fixed fee amount may not exceed 7% of the total other cost categories (less pass through). For more information see Chicago Cook Workforce Partnership Policy Letter, "Cost Plus Fixed Fee".

Please note, the policy on profit, stated profit levels, and procedures for determining and paying profit are all subject to change in keeping with Federal or State or Local regulations, or Chicago Cook Workforce Investment Board policy.

Please complete a separate set of budget forms for each applicable funding stream: WIA Adult and/or Dislocated Worker.

The following forms are required as part of this proposal submission:

a. Budget Summary Forms and Instructions

The Budget Forms are included as a separate set of attachments.

b. Fiscal Questionnaire – Self-explanatory

c. Stand-In Contributions Worksheet

This form shows source(s) and amount(s) of any cash contribution or match for the proposed project that may be used to off-set disallowed costs.

E. Certificate of Good Standing

All respondents **MUST** provide the following information: 1) A completed IRS W-9 Request for Taxpayer Identification Number & Certification. This form can be emailed upon request or downloaded at www.irs.gov ; and 2) A copy of the most recent financial audit completed by a certified public account.

Non-governmental entities MUST also provide the following: 1) indicate the year the organization was legally established; 2) attach list of current Board Member names, mailing addresses (other than responding agency's address), occupation/affiliation, e-mail address and phone numbers; 3) if applicable, submit a *current* letter (within last three years) from the IRS verifying the organization is exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code, IRS Department of the Treasury, (877) 829-5500; 4) submit a copy of the most recently filed IRS Form 990.

Attach documentation of **Good Standing Status:**

- Entities that are incorporated as a not-for-profit under the General Not For Profit Corporation Act of 1986 (805 ILCS 105/101.01 *et seq.*) are required to submit a certificate of good standing from the Illinois Secretary of State's Office, Department of Business Services, (217) 782-7880 or (217) 782-6961 (TDD: (800) 252-2904).
- Entities that are organized as a Charitable/Not-For-Profit entity, which includes any person, individual, group of individuals, association, not-for-profit corporation, or other legal entity under the Charitable Trust Act (760 ILCS 55/1 *et seq.*) are required to submit a letter of good standing from the Charitable Trust Bureau, Office of the Illinois Attorney General, 100 W. F. Evaluation Criteria

The Partnership is not required to contract with the entity receiving the highest average score as a result of the proposal review process. Proposals evaluated with an average score below 70 of a possible 100 points will not be considered. Proposals that do not meet minimum standards will be considered non-responsive. The Partnership reserves the right to contract with any respondent that falls within the acceptable point range.

All proposals will be scored according to the evaluation criteria and rank ordered from highest to lowest score. A recommended funding level will be determined based on a number of factors including overall ranking of proposal rating scores, the availability of funds, the number of applications submitted, geographic factors, reasonable unit cost as determined by The Partnership, the need for the proposed services, and past performance.

Weighting of Evaluation Criteria

| Category | Category Total |
|---|----------------|
| Experience | 25 |
| Program Description | 25 |
| Past Performance and Project Support / Partnerships | 25 |

| | |
|--|------------|
| Financial Structure and Cost Effectiveness | 25 |
| TOTAL: | 100 |

SECTION VIII. PROTEST PROCEDURES TO RESOLVE PROCUREMENT DISPUTES

All protests to resolve disputes concerning this RFP shall be submitted in writing, must specify in detail the grounds of the protest, the facts and evidence in support thereof, and the remedy sought. The written protest must be delivered to The Partnership (c/o Illona Sheffey-Rawlings, General Counsel) within the time limits provided below. In the absence of a timely and properly submitted written protest, no party responding to this RFP shall be eligible for any remedy. Any applicant desiring to protest a determination concerning this RFP must file a protest, in writing, with The Workforce Investment Board no later than five (5) calendar days following release of the staff recommendation. The Workforce Investment Board shall resolve any protest based upon the written protest and any oral and written response thereto provided by The Partnership staff before, or in conjunction with, the Board’s consideration of the application and the staff recommendation. Resolution of the protest shall be deemed final.

SECTION IX. LIMITATIONS

The Partnership shall not pay for any costs incurred by the applicant agencies in the completion of this RFP. Submission of an RFP does not, in any way, obligate The Partnership to award a contract. The Partnership reserves the right to accept or reject any applications, to negotiate with all qualified sources, or to cancel in part or in its entirety this RFP, if it is in the best interest of The Partnership to do so. The Partnership may require successful applicants to participate in contract negotiations prior to contract finalization. The Partnership shall reserve the right to terminate, with or without cause, any contract entered into as a result of this RFP process.

SECTION X. MODIFICATION OF CONTRACTS

Any contract awarded pursuant to this RFP may be unilaterally modified by The Partnership upon written notice to the contractor under the following circumstances:

- a. Contractor fails to meet performance and service expectations set forth in the contract, or
- b. The federal or state government increases, reduces or withdraws funds allocated to The Partnership, which impact services solicited under this RFP, or
- c. There is a change in federal or state legislation and/or their regulations, local laws, or applicable policies and procedures.
