

## Opportunity Works Eligible Communities

Residents of the following communities who are 16-24 years old are automatically eligible to participate in Opportunity Works. Eligible communities are suburban Cook County communities that have a poverty rate of 15% or higher and/or an unemployment rate of 8% or higher.\* Young Adults aged 16-24 who live in suburban Cook County may also be eligible based on household income or individual barriers to employment. See page six of the Opportunity Works Request for Proposals for more details.
